HONG KONG, Aug. 10, 2012 /PRNewswire-Asia/ -- **Compass Point Aviation Ltd. ("CPA")**, a newly established affiliate of a global asset management company, is pleased to announce that in June it closed on the acquisition and lease of one new Boeing 777-300ER to Emirates. CPA is currently working on closing several more transactions. CPA targets the aviation sector, with a particular focus on transactions involving finance leases and operating leases.

Important Notice

This publication serves information purposes only and constitutes neither an offer to sell nor a solicitation to buy securities of Compass Point Aviation Ltd or its affiliates ("CPA") in any jurisdiction. This publication also does not constitute an offer of securities for sale into the United States. Securities may not be offered or sold in the United States absent registration or any exemption from registration under the US Securities Act of 1933, as amended (the "Securities Act"). Any securities of CPA described herein have not been and will not be registered under the US Securities Act and are not being and will not be offered or sold in the USA. This publication is directed only at (I) persons who are outside the United Kingdom or (II) investment professionals falling within article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended) (the "Order") or (III) high net worth companies and other persons to whom it may lawfully be committed falling within article 49(2)(a) to (d) ("high net worth companies, unincorporated associations etc.") of the Order (all such persons together being referred to as "Relevant Persons"). Any person who is not a Relevant Person must not act or rely on this communication or any of its contents. This publication may contain forward-looking statements. These forward-looking statements concern the operations, prospects, plans, economic performance and financial condition of CPA. Forward-looking statements are based on current estimates and assumptions made by CPA to the best of its present knowledge. Such forward-looking statements are based on assumptions and are subject to risks, uncertainties and other factors that could cause the actual financial condition and results of CPA to differ materially from and fail to meet the expectations expressed or implied by such forward-looking statements.
